[#13 Toeloop chair by Mario Stadelmann](#) 

[#14 Shopping Cart Chair by Fernando FU Paullada](#) 

[#15 Recycled Cutlery Chair By Osian Batyka-Williams](#) 

[#17 Surf Chair](#)  The Surf Chair has been developed in collaboration with fellow student Leif S?rensen for the 'Internet Collection' competition at the Scandinavian Furniture Fair 2000. More at: [www.coroflot.com](http://www.coroflot.com/) 

[#18 The LumBar Stool by James Douglas](#) 

[#19 The Cord Chair by Jacques Guillon](#)  Constructed in a solid maple wood frame and finished with either a walnut wood veneer or black lacquer, the chair's material integrity is true to Jacques Guillon's authentic design. The seat and back are fully strung in either white or black 8-strand braided cord. More at: [www.contemporist.com](http://www.contemporist.com/) 

[#20 The Pyramid Chair by Karim Rashid](#) 

[#21 Pick Chair](#)  The Pick Chair transforms from wall art to functional furniture with a flick of the wrist. It is an inspiring take on the use of space, the transformation of an object, and the combination of art and design. In this way, the design epitomizes Dror's vision: the beauty of art paired with the simple poetics of form following function. More at: [www.studiodror.com](http://www.studiodror.com/) 

[#22 Peacock Chair](#)  The Peacock Chair is created out of three sheets of felt and a minimal metal frame. The folds of the felt are woven tightly to form a structured yet incredibly comfortable lounge chair, with no sewing or upholstery involved. More at: [www.studiodror.com](http://www.studiodror.com/) 

[#23 Bibliochaise by Nobody&Co](#)  If you have thousands of books in your house, the Bibliochaise is not only a great way to keep them close, but it also looks comfortable enough for you to read them while you are sitting on it. More at: [www.coolest-gadgets.com](http://www.coolest-gadgets.com/)
